Unique Retailer Services Offered by Continuum Games

At Continuum Games, Inc., we appreciate the support of our toy and game retailers. That's why we provide in return unique services to help you and your staff become **GAME GURUS!**

In working with so many talented retailers, we understand that the most successful retailers do a few key things to maximize their game sales. They:

1. Play the games they carry with their staff
2. Keep a demo copy in the store
3. Host a "game night"
4. Promote their game products on their web site

We understand how busy you are running your business. That's why we'd like to help with these tasks. Continuum Games offers the following services to retailers who carry Discombobulation at no cost:

1. **Sales Training for your Staff** – send your staff to the "GAME ACADEMY", a 20 minute online event that gives them an opportunity to interact with our team and learn how to play and sell **Discombobulation**. We'll provide a free gift to those who attend and use what they've learned to generate sales. Game Academy is held every week on Wednesday at 6:00 PM Eastern. Email continuumgames@sbcglobal.net to enroll.
2. **A Free Demo Copy of Discombobulation** – just ask, and we'll include a free demo copy of Discombobulation with your order. Please open this copy and make it available to your staff to help them reinforce what they learn at the GAME ACADEMY. Also, please show it to customers who are looking for a new game to play with their family.
3. **Sales Tip Sheets for our Products** – with your order, we'll provide tips you can share with your staff to help them relay to customers what makes Discombobulation unique and exciting to play.
4. **PR for your Game Night** – let us know when you're sponsoring your next game night and we'll send a press release to local newspapers to let them know you'll be featuring Discombobulation.
5. **Increased Web Site Traffic** – the more sites you link to and that link to you, the higher you'll rank on search engines, like Google and Yahoo. Link to our site and we'll link to yours. Send us an email with our web address to continuumgames@sbcglobal.net.

Please contact us toll free at 877-405-2662 or via email at continuumgames@sbcglobal.net to take advantage of these services. Thanks again for your support and we look forward to working with you for many years to come.

Sincerely,

Greg Hughes
Owner/Game Inventor
